Congratulations to the winners and thank you to everyone who took part. It was an outstanding competition played to a very high standard.

We now look forward to the next academic year. The dates and venues are as follows:

2009 Date

16th October Division Two Championship Tenterden GC

2010 Dates.

26th April KSGA County Championship. Bearsted GC.
1st July KSGA Team Championship North Foreland GC.
13th October Division Two Championship Gillingham GC

All the information regarding entry for future competitions will be on the Kent County Golf Union website at:

<http://www.kcgu.org/Kentschoolsgolf2009.asp>

Please keep an eye on the site for details.

I am concerned that my availability to attend competition days in future will be prejudiced by the stricter application of the "rarely cover" rule. As ever, we would love to hear from anyone volunteering to assist with organising and supervising the KSGA events, especially as it does seem to be becoming more problematic for practising teachers to get leave of absence.

It would also help me if you could contact me with your email address, so that I can send bulk emails to schools as an easier form of communication.

I sincerely hope that all our member schools and their players will be able to participate in 2009/10 and enjoy the many benefits of formal inter-school competition.

Yours,

John Thornewell
